Calculus Workbook For Dummi - Softouch
The easy way to conquer calculus. Calculus is hard—no doubt about it—and students often need help understanding or retaining the key concepts covered in class. Calculus Workbook For Dummies serves up the concept review and practice problems with an easy-to-follow, practical approach. Plus, you'll get free access to a quiz for every chapter online.

Calculus Workbook For Dummies with Online Practice, with ...
Calculus students, along with math students in nearly all disciplines, benefit greatly from opportunities to practice different types of problems in the classroom and out. Calculus Workbook For Dummies takes you step–by–step through each concept, operation, and solution, explaining the "how" and "why" in plain English, rather than math–speak. Through relevant instruction and practical examples, you?ll soon learn that real–life calculus isn?t nearly the monster it?s made out to be.

Calculus Workbook For Dummies, 2nd Edition: Amazon.co.uk ...
The Workbook is a companion text, with exercises some of which ought to be included in Calculus for Dummies. The exercises in each section of the Workbook become progressively harder, and/or quite tricky in places, and you need to return from time to time to Calculus for Dummies to reinforce your understanding of the principles there before tackling these harder/trickier questions.
