What is a Harley-  
Davidson

SPORTSTER 883?

Harley-Davidson®

Sportster 883:

Like an old-time  
outlaw that's

# Download File PDF 2005

been taught  
manners, today's  
883 is a refined  
and finely  
evolved riding  
machine. But  
give the  
throttle a twist  
and it doesn't  
take long to  
bring out its mo-  
ve-it-or-lose-it  
spirit.

This illustrated  
guide is packed  
with interesting

# Download File PDF 2005

facts and follows the history of the famous Harley-Davidson company and the development of its famous bikes, which have earned a special place in the hearts of enthusiasts everywhere. The

# Download File PDF 2005

story dates from  
1903 when Bill  
Harley and the  
Davidson

brothers, with  
no thought of  
fame or fortune,  
decided to build  
a motorcycle  
that really  
worked. So  
successful was  
it, that it led  
to the gradual

# Download File PDF 2005

formation of a  
company that has  
survived through  
good times and  
bad. Through  
good times and  
bad, losing and  
winning back  
police  
contracts, as  
well as  
weathering  
various other  
vicissitudes,

# Download File PDF 2005

the company has achieved lasting success. In the end, Harley-Davidson came to the ultimate decision of giving its customers what they really wanted, not by providing year-on-year innovations, but

# Download File PDF 2005

by remaining  
true to the  
Founders'  
original  
concept. The  
result, as  
everyone knows,  
are bikes of  
mythic status,  
imbued with a  
mysterious  
quality of their  
own and  
generating a

# Download File PDF 2005

passion in  
enthusiasts  
amounting almost  
to a love  
affair. The name  
has come to  
personify  
America and is  
up there  
alongside Coca-  
Cola, Ford and  
McDonald's. The  
bikes are  
described in

# Download File PDF 2005

detail, not only  
in mechanical  
terms, but also  
with glorious  
photographs, and  
will be of  
interest to  
everyone who  
loves  
motorbikes: even  
aficionados of  
Japanese and  
European bikes,  
who have never

# Download File PDF 2005

even ridden a  
Harley-Davidson,  
will be able to  
recognize the  
unique marriage  
of style and  
nostalgia and  
the fact that  
there are no  
other bikes  
quite like them.

PDF 2005

Harley

Davidson

Go on a 60-year  
ride with Harley-

Davidson's

Sportster Things

got a little

weird in the

American

motorcycle

industry after

World War II.

People hungered

for new

# Download File PDF 2005

motorcycles,  
buying just  
about everything  
manufacturers  
could build. But  
on rare  
occasions a  
manufacturer  
produced a  
machine that  
nobody wanted.  
Such was the  
case with the  
Harley-Davidson

# Download File PDF 2005

Harley K. The  
Model K had most  
of the features  
buyers wanted in  
a modern  
machine, like  
hand-operated  
clutches, foot-  
operated  
shifters, and  
cool-running  
aluminum heads,  
but it lacked  
perhaps the most

# Download File

## PDF 2005

important  
technological  
upgrade: a  
modern overhead-  
valve valve-  
train design.

The Model K  
retained the  
antiquated side-  
valve design  
because of  
arcane AMA  
racing rules  
written when

# Download File PDF 2005

Harley-Davidson  
and Indian  
competed head-to-  
head on American  
racetracks, but  
by 1952 Indian  
was on its last  
legs. This  
should have made  
the Model K a  
massive sales  
success. What  
nobody counted  
on was the

# Download File PDF 2005

British bike  
invasion. Thanks  
to their modern  
overhead-valve  
engines, the  
lightweight  
British bikes  
humiliated the  
side-valve  
Harleys on the  
track and on the  
street. Upgrades  
to the Model K  
didn't help;

# Download File PDF 2005

Harley finally relented and introduced a new overhead-valve middleweight for the 1957 model year. Dubbed the Sportster, it was everything the Model K was not. More importantly, it was faster than the British

# Download File PDF 2005

competition.

Thus began the  
Sportster's  
sixty-year

reign. Harley-  
Davidson

Sportster: Sixty  
Years tells the  
complete

Sportster story.

Noted Sportster  
expert Allen

Girdler covers  
all the

# Download File PDF 2005

bikes--the XLCH,  
Caf. Racer,  
XR1000, XLX,  
883, Iron, Forty-  
Eight, Seventy-  
Two, and  
Nightster--that  
have made the  
Sportster one of  
the most iconic  
motorcycles on  
earth.

Each Clymer
