This is a maintenance and repair manual for the DIY mechanic.

The Complete Idiot's Guide to Motorcycles, Fourth Edition, is the most complete book on motorcycles, covering everything from how to choose and maintain a motorcycle and how to buy appropriate gear, to how to ride safely, and how to make the most out of trips on the open road.

Whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes manual for just above every popular domestic and import car, truck, and motorcycle. By conducting complete tear-downs and rebuilds, the staff at Haynes Publishing has discovered all the problems owners will find when repairing or rebuilding their vehicles. By documenting each process with hundreds of illustrations and step-by-step instructions that show the exact order of assembly, Haynes manuals make every step easy to follow.

Alicia Mariah Elfving, founder of TheMotoLady.com and the Women's Motorcycle Show, dishes profiles of more than 70 women past and present who ride and wrench as well as anyone, and in the process have proven every bit as indispensable to maintaining and growing a positive motorcycling culture.

A latest entry in the best-selling series finds forensic analyst and nighttime vigilante Dexter Morgan discovering that he is being followed by a killer who is copying his methods, an adversary who Dexter seeks to outmaneuver using his trademark knack for extricating himself from trouble.

"Like a breath of fresh air blowing across all crime-novel conventions, there is Dexter." —Time Dexter Morgan is not your average serial killer. He enjoys his day job as a blood spatter analyst for the Miami Police Department . . . but he lives for his nighttime hobby of hunting other killers. Dexter is therefore not pleased to discover that someone is shadowing him, observing him, and copying his methods. Dexter is not one to tolerate displeasure . . . in fact, he has a knack for extricating himself from trouble in his own pleasurable way. Like the previous five best-selling novels in the Dexter series, Double Dexter showcases the witty, macabre originality that has propelled Jeff Lindsay to international success. Double Dexter is raucously entertaining . . . full of smart suspense and dark laughs.

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture
