Language Arts Warm-Ups: Expanding Vocabulary provides students with daily activities to get them warmed up for the lessons ahead and to review lessons learned. Each page features four warm-up activities that can be cut apart and used separately, making it easy to adjust each activity as needed. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including math, science, language arts, social studies, history, government, fine arts, and character.

Classroom Connections brings math, language arts, and science together around a common skill. This book for second graders covers nouns, verbs, adjectives, vowel sounds, context clues, commas, place value, addition, subtraction, skip counting, money, and measurement. The Classroom Connections series provides math, language arts, and science practice for children in kindergarten to grade 3. Each page ties three subject areas together around a common skill, giving children a fresh way to look at important concepts. Children are also provided with extension activities, tips, and hints related to each skill to encourage additional learning and real-world application.
