A Country Called Childhood: Children and the Exuberant World

In A Country Called Childhood, Griffiths seeks to discover why we deny our children the freedoms of space, time and the natural world. Visiting communities as far apart as West Papua and the Arctic as well as the UK, and delving into history, philosophy, language and literature, she explores how children's affinity for nature is an essential and universal element of childhood.

The one-child policy was part of a birth planning program designed to control the size of the rapidly growing population of the People's Republic of China. Distinct from the family planning policies of most other countries, which focus on providing contraceptive options to help women have the number of children they want, it set a limit on the number of births parents could have, making it the ...

One-child policy - Wikipedia

Children who move from their home country to another country as refugees (because it was not safe for them to stay there) should get help and protection and have the same rights as children born in that country. 23. Children with disabilities. Every child with a disability should enjoy the best possible life in society.

Child sexual abuse, also called child molestation, is a form of child abuse in which an adult or older adolescent uses a child for sexual stimulation. Forms of child sexual abuse include engaging in sexual activities with a child (whether by asking or pressuring, or by other means), indecent exposure (of the genitals, female nipples, etc.), child grooming, and child sexual exploitation ...

Child sexual abuse - Wikipedia

Updated January 31, 2018. China's one-child policy was established by Chinese leader Deng Xiaoping in 1979 to restrict communist China's population growth and limited couples to having only one child. Although designated a "temporary measure," it remained in effect for more than 35 years.

An Overview of China's One-Child Policy - ThoughtCo

The one-child policy was a program in China that was implemented nationwide by the Chinese government in 1980 in order to limit most Chinese families to one child each. The policy was enacted to address the growth rate of the country's population, which the government viewed as being too rapid.The policy was enforced by methods ranging from offering financial perks for families in compliance ...

one-child policy | Definition & Facts | Britannica

Children residing outside of the United States may obtain citizenship under Section 322 of the INA. A child who regularly resides outside of the United States is eligible for naturalization if all of the following conditions have been met: The child has at least one parent, including an adoptive parent, who is a U.S. citizen by birth or through ...
