In this book, Dr. Billings shares the "secret sauce" which has made the Acellus Learning System a game changer for thousands of schools coast-to-coast.Acellus makes a science of the learning process. It contains tools to recover discouraged studentsand to accelerate the learning process.In these pages, the author shares the tools, the techniques, and the magic of Acellus that is changingeducation, discussing important aspects of the system: - What is Acellus? - How does it work? - What happens when a student gets stuck?- How does Acellus accelerate the learning process?Dr. Maria Sanchez, Chairman International Academy of Science

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

Willa Cather is considered to be one of the best chroniclers of pioneer life in the 20th century. She had a long and distinguished career writing essays, poems, short stories, and novels. This story is a powerful example of a frequent theme: the haunting, sometimes painful, contrast between city and country life.

Presents a sentence-by-sentence interpretation of the U.S. Constitution for elementary school students, with the first half of the work arranged with the original wording in the left column and a translation in simple language on the right. Reprint.

"Rikki-Tikki-Tavi" is a short story in the 1894 anthology *The Jungle Book* by Rudyard Kipling about the adventures of a valiant young Indian mongoose. An English family have just moved to a house in India. They find Rikki-Tikki-Tavi the mongoose flooded out of his burrow. A pair of large cobras, Nag and Nagaina, attempt unsuccessfully to kill him. He hears the cobras plotting to kill the father in the house, and attacks Nag in the bathroom. The sound of the fight attracts the father, who shoots Nag. Rikki-Tikki-Tavi destroys Nagaina's eggs and chases her into her "rat-hole" where he kills her too. Famous stories of *The Jungle Book* Rudyard Kipling: Mowgli's Brothers, Kaa's Hunting, Tiger! Tiger!, The White Seal, Rikki-Tikki-Tavi, Toomai of the Elephants, Her Majesty's Servants.

*Life on the Mississippi* (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the war. The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled "Old Times on the Mississippi". Although Twain was actually 21 when he began his training, he uses artistic license to make himself seem somewhat younger, referring to himself as a "fledgling" and a "boy" who "ran away from home" to seek his fortune on the river, and playing up his own callowness and naïveté.

Saki. Years of rivalry and feuding between the von Gradwitzes and the Znaeysms seemingly come to an end when the two heads of the families find themselves in a life-or-death situation. Unfortunately, their reconcilliation comes too late. 40 pages. Tale Bla
