“ [A] magic kingdom of Victorian murder and intrigue. ” —The New York Times Book Review Thomas Pitt is now the powerful head of Britain ’ s Special Branch, and some people fear that he may have been promoted beyond his abilities. His own self-doubt is fueled by rumors of a plot to blow up connections on the Dover-London rail line, on which Austrian duke Alois Habsburg is soon to travel. But why destroy an entire train to kill one obscure Austrian royal? Are the rumors designed to distract police from an even more devastating plot? Meanwhile, in a London sickroom, an old Italian woman is terrified that as she sinks into dementia, she may divulge secrets from her career as a revolutionary spy. And behind the doors of a stately manor, a beautiful young Croatian woman hoards mysteries of her own. Pitt and his clever wife, Charlotte, need these two fascinating women to tell them things they desperately need to know—before death and terror ignite an international catastrophe. Includes a preview of Anne Perry ’ s next Charlotte and Thomas Pitt novel, *Midnight at Marble Arch* “ The always clever Anne Perry infuses *Dorchester Terrace* with the right amount of intrigue and complex relationships that have made this prolific series one of the finest in modern mystery fiction. ” —Bookreporter “ A classic . . . [a] novel of intrigue, romance and treason . . . replete with well-drawn characters. ” —Huntington News

If you relish laughing out loud at the expense of the pretentious and the pompous, and like your wit lacerated

with insight and compassion, then Joe Bennett's second collection of sparkling vignettes won't disappoint. From tortoise smuggling and culinary fads to bad poetry and the joys of poultry, Joe's eclectic range of topics and targets, penned with his trademark shrewd humour, provide a refreshingly new look at the absurdities of our daily lives. In his own words, 'If anything holds these observations together it is that I like people but not in herds. I distrust all beliefs, most thought and anything ending in ism.'

Thomas Pitt arrives at a devastating bombing in Lancaster Gate to find two policemen dead and three more gravely wounded. London's anarchists are blamed, but as Pitt and Inspector Tellman investigate they find it looks increasingly like a personal vendetta against those particular men. Did they lie about a drugs raid that went fatally wrong, and let an innocent man hang? The idea of police dishonesty cuts Tellman to the quick - he joined the force to protect society, not exploit it. But he must uncover the truth, however much he wants to resist the signs of blackmail and corruption. With the threat of further bombings, and their superiors pushing for a quick resolution, Pitt and Tellman find their every move scrutinised, and their own lives suddenly at risk...Treachery at Lancaster Gate is the exceptional new historical thriller from the master of Victorian crime.

In this guide we will show you how to update your BIOS in a secure and safe manner! Common reasons for applying a BIOS update are: Better stability of your PCImproved recognition of peripherals. (like hard disks, video cards, memory sticks)Support for newer CPUs which were not yet available at the time you bought your motherboard / PC Improve the performance ofhard diskmemorySSDCPUBetter Overclocking support (eg. more stable, more

features)Improved support for new operating systems (Windows 7, Windows 8, Linux, ...)Improved support for battery savings (eg. on laptops)

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink', Dave Broom explores flavour camps - how to understand a style of whisky - and moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining and no-nonsense guide, world-renowned expert Dave Broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

From a Pulitzer Prize-winning author, a brilliantly rendered life of one of our most admired American poets. Since her death in 1979, Elizabeth Bishop, who published only one hundred poems in her lifetime, has become one of America's most revered poets. And yet--painfully shy and living out of public view in far-flung locations like Key West and Brazil--she has never been seen so fully as a woman and artist. Megan Marshall makes incisive and moving use of a newly discovered cache of Bishop's letters--to her psychiatrist and to three of her lovers--to reveal a much darker childhood than has been known, a secret affair, and the last chapter of her passionate romance with Brazilian modernist designer Lota de Macedo Soares. These elements of Bishop's life, along with her friendships with fellow poets Marianne Moore and Robert Lowell, both important champions of her work, are brought to life with novelistic intensity. And by alternating the narrative line of biography with brief passages of memoir, Megan Marshall, who studied with Bishop in her storied 1970s poetry workshop at Harvard, offers the reader an original and compelling glimpse of the ways poetry and biography, subject and biographer, are entwined.

Based on the successful *Baby Owner's Manual*, *The Baby Owner's Maintenance Log* presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.
