Vols. for 1970-71 includes manufacturers' catalogs.

This basic source for identification of U.S. manufacturers is arranged by product in a large multi-volume set. Includes: Products & services, Company profiles and Catalog file.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

In a collaborative effort to bring Lineman history to the general public and Lineman across the world, Alan Drew and the Northwest Lineman College have created a beautiful depiction of Lineman s footprint on America. No other book has depicted the history of the lineman so eloquently."

Built on a solid foundation of current scientific research and more than 30 years of in-the-trenches trial experience, this 800-page masterwork will help you understand juror biases and motivations, develop persuasive evidence of damages, and talk to jurors in a way that triggers the jurors' natural desire to do what is right and significant by awarding damages to your client.
