The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of Everything You Need “Outstanding! As one would expect from David Jeremiah, this book reflects a theologian’s concern, a pastor’s heart, and a Biblicist’s accuracy.”—Dr. Bruce Wilkinson

Jeremiah misconception and myth rather than solid, biblical truth. As he's done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God's plan? Are they present? Do they appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah's down-to-earth style guides readers around the hype about angels and directly into everything you need to know about the "substance of things unseen!"

Leading Baptist Pastor Teaches the Truth about Angels Myths about angels are everywhere. Do we become angels when we die? Are angels always hovering nearby, on guard to protect us from danger? Can we talk to them? Many of our ideas about angels come from the media, which is more interested in ratings and ticket sales than truth. As Christians it's important to understand what angels really are. Pastor Jack Graham walks readers through Scripture, revealing the truth about angels and their roles as worshipers of the Lord, witnesses to his glory, and warriors fighting on his behalf. Focusing on practical application, Dr. Graham separates fact from fiction, encouraging you to become a better worshiper, warrior, and witness. Includes end-of-chapter questions. A small-group curriculum DVD will also be available.

The well-known evangelist explains the characteristics of angels as well as their purposes and significance in the contemporary world

From the collaborator of the blockbuster bestseller Proof of Heaven comes the definitive book proving angels are real, all around us, and interacting in our lives every day. In March 2015, millions worldwide were captivated by news reports of the dramatic rescue of an eighteen month old girl, Lily Groesbeck, who'd somehow survived fourteen hours in an overturned car partially submerged in an icy-cold Utah river after her mother apparently lost control of the vehicle. A voice the four responding officers assumed was the child's mother still trapped inside spurred them on: "Help me, help

me.” Yet, once the two victims were recovered, it was clear that the voice could not have come from Lily’s mother: she’d been killed on impact. New York Times bestselling author Ptolemy Tompkins, with the help of Tyler Beddoes, one of the responding officers who helped rescue Lily, will explain this modern-day miracle and the existence of angels in our world. Proof of Angels weaves real-life stories into a rich narrative, exploring the history, nature, and significance of angels in our lives. With an introduction by Colleen Hughes, the editor-in-chief of Angels on Earth magazine, Proof of Angels proves that the barrier between the spiritual and the scientific is less certain than we often think. Not only does Tompkins offer a highly entertaining look into a universally fascinating topic, but he also delivers a fresh and deeply reassuring message: we are not alone.

Jeremiah evidence: We live in a culture desperately searching for meaning. Like the ancient Greeks, we are haunted by questions. Where did this world come from? Why am I here? As individuals and as a society, we are restless, longing for something, or someone, to believe in. There are perhaps millions of potential answers—but only one truth that wholly explains, resolves, and offers hope for the plight of man. Of this life-giving message, Peter, the disciple of Jesus Christ, wrote: "Even angels long to look into these things." Within these pages, author Alistair Begg explores "these things" more fully, offering fresh insights into the mystery and power of the gospel account and presenting a convincing argument to all those seeking answers to the meaning of life.
