 I happened across Christina Ross's Annihilate Me series by mistake and am now totally sucked in. I loved the Annihilate Me Series and just finished Vol. 1 of Unleash Me in a day. I really enjoy how the characters carry through from the first series. The romance is steamy hot and I love Blackwell and her sense of humor! Please hurry and get Vol 2 out!

Annihilate Me, Vol. 1: Ross, Christina: Amazon.com.au: Books  
 What did you love best about Annihilate Me (Vol. 1)? I absolutely loved this book. It wasn't about getting right to the sex scenes, as it is with SO MANY OTHER BOOKS. In fact, the book offers only a powerful build-up to a relationship that will likely emerge even deeper, I'm hoping, in the next book. The adults are adults. There is nothing amateurish or childish here--there are NO hot messes ...

 Reading this annihilate me vol 1 christina ross will have the funds for you more than people admire. It will guide to know more than the people staring at you. Even now, there are many sources to learning, reading a folder still becomes the first choice as a good way. Why should be reading? next more, it will depend upon how you tone and think roughly it. It is surely that one of the pro to ...

The series with more than two million books sold continues to explode in Unleash Me: Wedding! Make sure that you've at least read the Unleash Me series before reading this book. Two-and-a-half years—and several books later—since security expert Tank McCollister first proposed to best-selling author Lisa Ward (see reading order below)—they've finally set a date. They're getting married! If only it were that easy. After a series of mishaps, Lisa finds herself in Prairie Home, Nebraska, on Tank's parents' cow-and-chicken farm. With the wedding days away, conflict simmers between Lisa and Tank's holy-rolling mother, Ethel McCollister, who's no fan of Lisa—or her books about the undead. Ethel's certain that Lisa's books are sacrilegious. She's worried that Lisa might be demon-possessed. Determined to save her only son from the clutches of the woman of her nightmares, Ethel rises up—and sets out to derail the wedding. Will love win out in the end? If it does, it won't be without one brutal war between Lisa and her potential monster-in-law when events turn vicious—and unexpectedly hilarious—between them. With Jennifer, Blackwell, Alex, Epifania and other fan favorites at Lisa's side, "Unleash Me: Wedding" concludes Lisa and Tank's story. Note: While this book can easily be read as an extension of the Unleash Meseries, it will have more impact if you read the entire series. Reading Order: Annihilate Me, 1-4 Annihilate Me: Holiday Unleash Me, 1-3 Annihilate Him, 1-3 Ignite Me Annihilate Him: Holiday A Dangerous Widow Annihilate Them Annihilate Them: Holiday Unleash Me: Wedding

SOON TO BE A MAJOR MOTION PICTURE. THE SERIES WITH MORE THAN TWO MILLION BOOKS SOLD WORLDWIDE! After one hellish year, Jennifer and Alex decide to take a break from it all and spend the holidays back in Maine with their extended family, only this time they don't choose their home on the Maine coast. Instead, they rent a mansion at the popular ski resort, Sugarloaf Mountain. And while they're there, apparently everything that can go wrong does go wrong in ways that are designed to keep you horrified—as well as howling. After all, at Sugarloaf, a motherlode of surprises await Blackwell, Daniella, Alexa, Cutter, Brock and Madison (from "Ignite Me"), and naturally, also Jennifer and Alex. Could there be love in the air for Blackwell? And also for Daniella and Alexa? And if there is for any of them, what fresh hell does that mean for you--the reader? In "Annihilate Him: Holiday"--in which Lisa, Tank, Epifania and Rhoda also are onboard--romance, love, sexy times and hilarity ensue! Note: You must read volumes 1-3 of the "Annihilate Him" series before you read "Annihilate Him: Holiday." Many readers have asked, so! Here is the reading order for the Annihilate Me series: Annihilate Me, Vol. 1 Annihilate Me, Vol. 2 Annihilate Me, Vol. 3 Annihilate Me, Vol. 4 Annihilate Me, Holiday Unleash Me, Vol. 1 Unleash Me, Vol. 2 Unleash Me, Vol. 3 Annihilate Him, Vol. 1 Annihilate Him, Vol. 2 Annihilate Him, Vol. 3 Ignite Me Annihilate Him: Holiday A Dangerous Widow Annihilate Them Annihilate Them: Holiday Unleash Me: Wedding

#1 International bestselling author Christina Ross returns with a laugh-out-loud romantic comedy in her wildly popular Annihilate Me series, which has sold over 3.5 million copies in six different languages. This book is a love letter to the fans of the series-but it also can easily be read as a stand-alone novel. In Annihilate Me, Baby, the pressure on Jennifer isn't just significant-it's overwhelming. Crushing. Annihilating... First, nanny Helga needs to rush to Moscow to be with her ailing sister, Manya, thus leaving Jennifer and Alex without childcare while they still must find time to run their conglomerate, Wenn Enterprises. So what to do with Aiden, who is now two-and-a-half years old-and who apparently has a rocket attached to his back? Second, before Helga left, Jennifer and Alex decided to get pregnant again. Despite Helga's absence, Alex is as determined as ever to get that done. Since Jennifer doesn't want to disappoint him simply because they don't have a nanny, they start having sex everywhere-literally everywhere (!)-and at the most inopportune of times. With so much going on, it's not long before Jennifer is sexed-up to the point of exhaustion. Finally, there's Dame Hélène Mirage, the two-time Academy Award-winning actress who is hired to be the face of Wenn Cosmetic's new skincare line, Age Perfected. She's seventy-five, her next film is a remake of the camp classic "Whatever Happened to Baby Jane?", and in no time, she lives up to her storied reputation for being a full-on diva. Her weird demands and bizarre behavior become so much for Jennifer to handle that soon Alex is brought in to temper the situation. But does he even stand a chance when there's an unhinged diva on the loose? Annihilate Me, Baby brings Alex and Jennifer closer than they've ever been-all while Blackwell and Tank choose to do a little sleuthing on the sly when they decide that getting Mirage in line can only be done with a threat that could end her career... In Annihilate Me, Baby, readers will find all of their favorite characters reconnecting two years after Lisa and Tank's wedding in Unleash Me: Wedding. It's the Annihilate Me series at its best!

From the international best-selling author with more than two million books sold worldwide in six different languages! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px 'Helvetica Neue'; color: #454545} Description: After one hellish year in which their lives nearly were claimed by a madman—and with a new baby on the way in just a matter of weeks—Jennifer and Alex decide to spend this particular holiday season in Manhattan with their extended family of friends, if only so Jennifer can be close to her doctor. With that decision made and no travel plans on the horizon, one would think that this holiday should be a breeze, right? Not even close. First, Blackwell and Lisa butt heads over who's the best choice to throw Jennifer's baby shower. As infamously strong-willed as Blackwell is, she's soon rattled to find out that Lisa is no pushover. In fact, she's hellbent on proving that she can stand up to Blackwell with ideas of her own...in ways that might leave the reader howling. Second, there's Cutter and Daniella, who are headed straight for a break-up due to Daniella's insistence that they move in together Will they be kissing under the mistletoe after weeks of not speaking? After Blackwell has a heart-to-heart talk with her daughter, readers might be surprised by the outcome... Third—and perhaps most dire in this book—is the appearance of Ava Kent, Jennifer's abusive and cunning drunk of a mother, who suddenly crashes back into Jennifer's life in ways that are so corrosive and toxic, it sends an already fragile Jennifer literally to her breaking point. In Annihilate Them: Holiday, expect all the romance, love, sexy times and laughs that you've come to expect from Christina Ross, but also expect much more drama, especially when it comes to Ava. When she dares to threaten Jennifer with one mother of a deception that sheds new insight into Jennifer's past, she

does so with a fierceness that darkens these holidays in the coldest of ways. Note: Make sure to read “Annihilate Them” before you read “Annihilate Them: Holiday.”

Love don't cost a thing... except everything. When billionaire mogul James Preston hires an escort as a date for his brother's wedding, he knows he's taking a risk. One thing he won't be taking? The escort's clothes off. He just wants a date—not a girlfriend. Not a relationship. No strings. No ties. No games. No sex. He has his reasons. He lost someone he loved, and isn't interested in trying again. Too many opportunities for mistakes or worse, heartbreak. Audrey Reynolds became a high-end escort to keep her brother in his expensive group home. James Preston is the client of her dreams—he's offering to pay her more money for two weeks than she's ever made before. But James is... difficult. He's gorgeous, troubled and all too human for Audrey's business-like tastes. Determined to complete her assignment and collect the money, Audrey tries to play by James's rules. But before she knows what's happening, he's rewriting the contract. When Audrey ends up in James's bed, he realizes that she's everything he's wanted... and everything he's been running from.

When they destroyed him, he plotted his revenge.Six people will die at the hands of two hired assassins. Six people will pay for the way they publicly defamed him and humiliated him. Six people will burn in hell for all that they did to him—including Alex and Jennifer Wenn.In Annihilate Them, which is the third book in the international best-selling Annihilate Me series, expect a devastating and suspenseful series of events as Stephen Rowe, the villain from Annihilate Him, returns to exact his bloody brand of justice.With Christina Ross' gift for delivering a stunning series of twists, turns, suspense, wit and action, Annihilate Them will have readers screaming one minute, and swooning the next.After all--who will live and who will die this time around? Because in this book, no one is safe--and not all of them are coming out alive.Annihilate Them is a full-length, stand-alone novel that features all of your favorite characters--Jennifer and Alex, Blackwell, Lisa and Tank, and many more. It is the most arresting, heart-stopping Annihilate Me book yet.

A hilarious new middle grade novel from beloved and bestselling author Gordon Korman about what happens when the worst class of kids in school is paired with the worst teacher—perfect for fans of Ms. Bixby's Last Day. A good choice for summer reading or anytime! The Unteachables are a notorious class of misfits, delinquents, and academic train wrecks. Like Aldo, with anger management issues; Parker, who can't read; Kiana, who doesn't even belong in the class—or any class; and Elaine (rhymes with pain). The Unteachables have been removed from the student body and isolated in room 117. Their teacher is Mr. Zachary Kermit, the most burned-out teacher in all of Greenwich. He was once a rising star, but his career was shattered by a cheating scandal that still haunts him. After years of phoning it in, he is finally one year away from early retirement. But the superintendent has his own plans to torpedo that idea—and it involves assigning Mr. Kermit to the Unteachables. The Unteachables never thought they'd find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.

[Includes 12 maps and 4 tables] In recent years, the U.S. Army has paid increasing attention to the conduct of unconventional warfare. However, the base of historical experience available for study has been largely American and overwhelmingly Western. In Russian-Soviet Unconventional Wars in the Caucasus, Central Asia, and Afghanistan, Dr. Robert F. Baumann makes a significant contribution to the expansion of that base with a well-researched analysis of four important episodes from the Russian-Soviet experience with unconventional wars. Primarily employing Russian sources, including important archival documents only recently declassified and made available to Western scholars, Dr. Baumann provides an insightful look at the Russian conquest of the Caucasian mountaineers (1801-59), the subjugation of Central Asia (1839-81), the reconquest of Central Asia by the Red Army (1918-33), and the Soviet war in Afghanistan (1979-89). The history of these wars—especially as it relates to the battle tactics, force structure, and strategy employed in them—offers important new perspectives on elements of continuity and change in combat over two centuries. This is the first study to provide an in-depth examination of the evolution of the Russian and Soviet unconventional experience on the predominantly Muslim southern periphery of the former empire. There, the Russians encountered fierce resistance by peoples whose cultures and views of war differed sharply from their own. Consequently, this Leavenworth Paper addresses not only issues germane to combat but to a wide spectrum of civic and propaganda operations as well.

This 1937 successor to Last and First Men offers another entrancing speculative history of the future. Cited as a key influence by science-fiction masters such as Doris Lessing, its bold exploration of the cosmos ventures into intelligent star clusters and mingles among alien races for a memorable vision of infinity.

As monsters and mercenaries clash, Sheena must race to prevent a war that could annihilate all she holds dear!
