REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

Now there is a Spanish program suited to the energy, developmental level, and fun-loving nature of your primary (K-3rd) students! Song School Spanish is patterned after our best-selling Song School Latin curriculum and features thirty weekly lessons peppered with songs, enjoyable vocabulary, illustrations, handwriting practice, stories, games, and activities. A small amount of grammar is introduced mildly throughout the book, with the focus on relevant, everyday vocabulary to engage young students. Each book contains a lively musical CD featuring forty-two songs/chants - a delightful part of the program that reinforces the Spanish taught in the book. Students who learn from Song School Spanish will be more than prepared to continue their studies with the Spanish for Children series. Grade level: Kindergarten through 3rd grade Accompanying childrens music CD (42 songs) bound in to each student text Interactive workbook text with lots of activities 30 weekly lessons including review chapters 100+ everyday vocabulary words Gentle introduction to Spanish grammar The Song School Spanish Teachers Edition is sold separately and includes the entire Song School Spanish student text as well as answer keys, teachers tips, and fun ideas for interactive classroom activities. It also includes over forty pages (plus answer keys) of additional activities and worksheets for advanced students or those who simply want more Spanish study. Classical Academic Press Educators will find all curricula by Classical Academic Press to be created with four important attributes. Each product is classical, creative, relevant, and easy to use. As our company name implies, you will find that we publish classical books and media, seeking to acquaint students with the best that has been thought and said. We also design and present our products with creativity and zest, from beautiful illustrations to engaging storytelling, ensuring that the classical subjects being taught are anything but boring.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Glossary-of-Grammatical-Terms-3rd-Edition

Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

The Expert series provides rigorous exam training for high-achieving students while continuing to develop language awareness and communication skills. First Expert is an intensive course for students who are preparing for the Cambridge First Certificate in English examination and will prove to satisfy your students' practice needs and allow them to achieve their full potential.

Realidades is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.
