Pick might just be my favourite of her male heroes. He's a free soul, protective without being a total idiot and there's something just so likeable about him. It definitely has something to do with his love for his step son.

I am such a sucker for "forbidden romances" (the series is called Forbidden Men ) and stories around pregnant ladies needing a hero or surrogate father that I couldn't not resist getting this book. Well, turns out there was nothing forbidden about this romance novel since it is only the name of the bar where the main characters work, but I did get plenty surrogate father, wrapped up

## Be My Hero Forbidden Men Volume 3

The Forbidden Men series is a compilation of stories about different characters in each novel whose lives intertwine with each other. To rate Forbidden status, one main character in the story must at some point in the series be a bartender at the Forbidden Nightclub and their love interest has to have some kind of forbidden element!
