4. Despite what Dr. Bowflex says, the machine just isn't made for a cardio. I got a schwinn exercise bike to compensate for this. I immediately noticed being able to have longer workouts due to my increasing cardiovascular endurance. 5. The manual also states not to rest more than a minute between each exercise.

### Amazon.com: Customer reviews: Bowflex Sport Home Gym ...

66 Exercises With The Bowflex Sport Home Gym. This isn't a ballpark figure or an exaggeration. All of these 66 exercises are listed in the manual that comes with the purchase. These exercises are accompanied by nicely written descriptions of what to do, along with pictures as well. They are mostly either for strength training or for cardio workouts.
