referred to as the Big Blue Book (BBB) this book is the core rule book for the 4th edition of the game. Prior to the 4th edition the rules were spread out between five different books, which resulted in mechanics that were diffuse and inconsistent. The 4th edition was to fix both of these problems as well as combine all the rules from all the books into one cohesive whole.

The Hero System is a generic role-playing game system that was developed from the superhero RPG Champions. After Champions fourth edition was released in 1989, a stripped-down version of its ruleset with no superhero or other genre elements was released as The Hero System Rulesbook in 1990. As a spinoff of Champions, the Hero System is considered to have started with 4th edition, rather than on its own with a 1st edition. However, the first three editions of the game are typically referred to as

#20, rating it 3 out of 5 overall, and stated that "I recommend this book to anyone already familiar with the hero system, and suggest the Champions game to anyone who enjoys exact, complicated role-playing. To those looking for slick, fun role-playing, I say look to other SHRPGs and other game systems."

GameDreaming: Champions 4th Edition For a long time now I've been looking for that "perfect" Supers RPG, which we all know doesn't really exist. But what I'm kind of mad about is that I didn't think to look at my first RPG love, Champions 4th Edition/HERO System, for the answer.

This is a really good sourcebook for the superhero/comic book genre, and a definite must-have if you are playing Champions or Champions Complete. One thing to note, however, is that the original printing (which is long out of print) was hardcover. If you purchase the book new on Amazon, it is a black and white softcover printing.
