Recent world history in a motivating format Glencoe World History: Modern Times draws on the features of Glencoe World History to motivate students, help them understand the connections between recent world events and issues, and give them an appreciation for the interconnectedness of the world's regions and peoples.

This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as Old Yeller and Where the Red Fern Grows will find much to love in Sounder, even as they read through tears at times.

"Glencoe Accounting is a comprehensive introduction to accounting principles for students who are considering a career in accounting, finance, or entrepreneurship. Glencoe Accounting makes abstract accounting principles concrete and accessible through a highly visual, step-by-step approach to analyzing transactions and accounting processes. Using this highly structured and visual analysis helps students internalize the habits of good accounting and understand the reasons behind accounting rules and procedures. The program covers the basics of the accounting cycle, business transactions and how to record them, posting journal entries to general ledger accounts, the six-column worksheet, financial statements, payroll and banking activities, cash funds and inventories, and partnerships and ethics"--Publisher.
