In *Coming into the Country*, McPhee describes his travels through much of the state with bush pilots, prospectors, and settlers, as well as politicians and businesspeople who have their eyes set on a very different future for the state.

**Coming into the Country: MCPHEE, JOHN: 9780374522872** ----

My favorite until recently was Joe McGinnis's *Going to Extremes* but John McPhee's *Coming Into the Country* is wonderful, too. McPhee's book is divided into three parts: first an exploration of wilderness described during the course of a canoe/kayak trip down the Salmon River. Much in the manner of the river, his

**Coming Into the Country by John McPhee - Goodreads**

*Coming into the Country* is an unforgettable account of Alaska and Alaskans. It is a rich tapestry of vivid characters, observed landscapes, and descriptive narrative, in three principal segments that deal, respectively, with a total wilderness, with urban Alaska, and with life in the remoteness of the bush.

**Coming into the Country - KTOO**

John McPhee's book *Coming into the Country* is an incredible part of that history of self-reliance and survival on the frontier, while also talking about urban development. For most of the country,...

**Coming into the Country Quotes - eNotes.com**

'Coming into the Country' is McPhee's longest single book and contains about ten capsule biographies (and quite a bit of modest autobiography, too) in addition to observations on the hibernation of bears, the various techniques of panning for gold, the advantages of sled-dogs against snow-machines, the failings of bush-pilots, and three-dozen other disquisitions. Without wishing to carp, I do think that the book is a shade too long -- the final section 'Coming into the Country' could ...

But Alaska is far more complex geographically, culturally, ecologically, and politically than most Americans know, and few writers are as capable of capturing this complexity as John McPhee. In *Coming into the Country*, McPhee describes his travels through much of the state with bush pilots, prospectors, and settlers, as well as politicians and businesspeople who have their eyes set on a very different future for the state.

**Amazon.com: Coming into the Country eBook: McPhee, John** ----

Tells about Donna Kneeland, a white native Alaskan, who came into the country in Apr., 1975 and the man she lives with, Richard Okey Cook, who came in 1964. She tans furs expertly and he is a trapper.

**Coming into the Country-1 | The New Yorker**

"George Sears, called Nessmuk, whose "Woodcraft," published in 1884, was the first American book on forest camping, and is written with so much wisdom, wit, and insight that it makes Henry David Thoreau seem alien, humorless, and French." ? John McPhee, *Coming into the Country* 1 likes

**Coming Into the Country Quotes by John McPhee**

This year marks the 40th anniversary of John McPhee's *Coming into the Country*, a work of long-form nonfiction charting the tensions between the perception of a wild Alaska and the reality of increasingly inaccessible wilderness.

**John McPhee: Coming into the Country | Work in Progress**

Alaska: the last frontier, a land of insulated stalwarts, climatic exigencies, and nineteen streams named Salmon. McPhee's deftly stratified report, written with a strong sense of place, includes a river trip with assorted "ecomorpha," short flights with the factious capital search committee, and a nonpareil section on town folk and people of the bush. Townspeople come from Pennsylvania or ...
