# Read Free Content Area Literacy An Integrated Approach 10th Tenth Edition By Second-Grade Science. By: Carol McDonald Connor, Sibel

Kaya, Melissa Luck. This study describes a second-grade science curriculum designed to individualize student instruction so that students, regardless of initial science and literacy skills, gain science knowledge and reading skills. The instruction incorporates flexible, homogeneous, literacy skills-based grouping, use of leveled science text, and explicit use of discussion ...

Content Area Literacy: An Integrated Approach - With ...

The strategy integrated reading, talking, and writing in the content areas. It engaged students in different levels of discussion as they read the text, gathered and interpreted information, and then wrote about their interpretations. Doing this taught them ways to extend and share their ideas with others.
