Conditions Of Sale. As the legal profession has endeavoured to adapt to commercial pressures, so the art and practice of conveyancing has had to respond to the realities of modern day life. This new edition represents a more comprehensive contribution to the art and practice of conveyancing. It looks at the task through the eyes of someone in business as a conveyancer and the challenges and opportunities that it provides. It aims to tame its market as a training handbook, which is quick and easy to read and to assimilate.
