What happens to Cujo, and to those unlucky enough to be near him, makes for the most heart-squeezing novel Stephen King has yet written. Vic Trenton, New York adman obsessed by the struggle to hand on to his one big account, his restive and not entirely faithful wife, Donna, and their four-year-old son, Tad, moved to Castle Rock seeking the peace of rural Maine.

Cujo was a massive, maleSt. Bernardowned by the Camber Family. Cujo was once a friendly and playful companion, but when he got rabies from a bat bite, he went insane and was turned into a vicious killer that attacked anybody who came near him. Cujo can be seen as a tragic being as he actually...

<div><div></div><div>Cujo Stephen King Wiki Fandom</div></div>
Stephen King is the master of literary horror, but, even more than that, he is a virtuoso of hiding his own real-life experiences in his novels, including Cujo.While his other works have featured outright depictions of his struggles with alcoholism and drug abuse, like The Shining, none are as nuanced or compelling as the story about an innocent dog infected with rabies.

Stephen King wrote “Cujo” being so intoxicated from alcohol, that he barely remembers writing it at all. “I spent the first twelve years or so of my married life assuring myself that I ‘just liked to drink.’” Cujo is a horror novel, published by Viking in 1981. The book was written during a period when King was drinking heavily.
