Designing Training
Programs Second
Edition

Now this revised

Where To Download

Second edition
updates the unique
training model
called the Critical
Events Model,
which HRD
professionals can
readily adapt to
their particular
training situations.
The model is
presented in a
series of steps
called "events"

Where To Download

that provide the designer with a straightforward, easy-to-follow system for designing training programs to improve performance and efficiency in the workplace.
