Check for power failure. This is the most common reason for DSC alarms to unexpectedly ring. Check if the lights on the property are working to ascertain if the power is currently on. If the power is out and the alarm is ringing, this indicates that the batteries in the alarm system are dead and need to be replaced.

Simple Ways to Reset a DSC Alarm: 7 Steps (with Pictures)

DSC Power 832 Basic Features. The basic DSC 832 panel has 8 on-board zones for burglary devices, plus a dedicated fire zone via the PGM terminals. The burglary zones are individually programmable for many different responses, so zones can be customized to match many applications.
