Buffalo, New York--Thundering waterfalls, great sports teams . . . and a treacherous vampire lord who is slowly losing his mind. New York City vampire Rajmund Gregor is the undisputed master of The Big Apple. He bows to no one but his Sire, the Vampire Lord Krystof, who has ruled the Northeast for hundreds of years. But when Krystof summons Rajmund to his headquarters in Buffalo, Raj finds his master slowly descending into madness and his territory crumbling around him. Several women have gone missing, and the local police are convinced a vampire is behind it. Is Krystof so lost to reality that he's capturing and murdering human women? Is a rogue vampire moving into Krystof's territory for the kill? Or is it something far more insidious, something that could threaten the existence of vampires everywhere? Sarah Stratton is living a lie. Her past holds a secret she shares with no one--not even her good friend Cynthia Leighton, the West Coast vampire lord's mate. It's a secret that could destroy her carefully constructed life as a professor at a Buffalo university. It's also a secret that could save the lives of the missing women. To save them, however, she must enter Buffalo's vampire community and put herself into the care of Rajmund Gregor. But can she trust Raj, the dangerously seductive vampire who wants to lay claim to far more than her secrets?

The Pacific Northwest . . . home to lush forests and constant rain, to lumberjacks and computer geeks, especially those of the vampire kind. Sophia, beautiful and deadly, has spent the last hundred years dancing her way through the balmy nights and hot-blooded men of South America. But when her Sire sends an urgent summons, Sophia rushes home to Vancouver only to find he has disappeared, leaving nothing behind but three dead vampires and a letter with Sophia's name on it. Colin Murphy, a former Navy SEAL, came to the Northwest seeking a quiet place to heal the scars earned in more than a decade

But when someone starts killing local vampires and torturing their mates, Colin takes on the mantle of a warrior once again as he sets out to find the killers and do whatever it takes to stop them, even if that means hunting with vampires. But too soon, Sophia and Colin find themselves in a race to uncover the killers before the next dead vampire becomes Sophia herself.

Malibu, California--home to rock-and-roll gods and movie stars, the beautiful, the rich . . . and vampires. Powerful and charismatic, Raphael is a Vampire Lord, one of the few who hold the power of life and death over every vampire in existence. Thousands call him Master and have pledged absolute loyalty on their very lives. But when, in a brazen and deadly daylight attack, a gang of human killers kidnaps the one female vampire he'd give his life for, Raphael turns to a human investigator to find his enemies before it's too late. Cynthia Leighton is smart, tough, and sexy--a private investigator and former cop who's tired of spying on cheating spouses and digging out old bank accounts. When Raphael asks for her help in tracking down the kidnappers, Cyn's happy to accept. But she soon realizes her greatest danger comes not from the humans, but from Raphael himself. Battling Russian mobsters and treacherous vampires and betrayed by those they trusted, Cyn and Raphael find themselves fighting for their lives while caught up in a passion of blood and violence that is destined to destroy them both.

Intent on bringing down the vampires and their slave network, Sid gains entry to the highest levels of vampire society, where she finds herself confronting the raw sexuality that is Aden. Caught up in a dark passion that neither can resist, Aden and Sidonie join forces, determined to defeat the old regime and everything it stan

UNFORGIVEN . . . because there are some things that can never be forgotten. Allegiance . . . Treachery . . . Unforgiven. War is imminent, and a spy has infiltrated Raphael's estate. It was a time when gods walked the earth, when armies fought not for bits of land, but for the very existence of humanity. On such a battlefield, five formidable warriors stood against an evil greater than any the earth had ever seen. But evil is not an honorable foe. Betrayed by someone they trusted, the warriors were cursed, one by one, tossed into the maelstrom of time, imprisoned in stone, their freedom resting on nearly impossible conditions. Alone of the five, their leader, the sorcerer Nicodemus, was left free. His curse? To know that his fellow warriors remained trapped forever out of his reach, condemned to an eternity of searching for their stone prisons and the keys to their freedom. Nicodemus stood on the battlefield, magic a storm of power surrounding him, his army on the cusp of victory against his lifelong enemy, the sorcerer Sotiris, whose death would finally bring peace to their world. . . until everything changed. The four warriors who'd stood by him through endless wars were struck down by a curse, gone in an instant, and spun into the sands of time. And Antonia, the woman he loved so fiercely, was bespelled into an unknown world, captured by the sorcerer she'd betrayed. Following Sotiris's vanishing trail, Nicodemus searches through worlds and centuries until finally, in a universe a thousand years from where he was born, his freed warriors seek him out and stand with him once more. But what of Antonia, what of her fate at the sorcerer's whim? And if she still lives, how will he find her? With his warriors' help, Nicodemus untangles the twisted reality Sotiris has contrived to hide his beloved. Together at last, Nico and Antonia will rediscover the love and trust they once held for each other, wanting only to share the life they've been denied for so long. But Sotiris is still a threat--one that must be eliminated if there is to be peace. With Antonia and his warriors by his side--as well as an unexpected, but deadly, ally--Nicodemus prepares for the final battle. And this time, only one sorcerer will walk away. Author Bio: D. B.
