How to Update a Cadillac Navigation System | It Still Runs

Unlike cell phone apps that feature small screens and even smaller buttons, the Escalade navigation system is designed for driving. A map update keeps your vehicle ready for the road ahead. To find the map that's right for your vehicle, select the appropriate model year from the menu above.

Navigation Map Updates | Cadillac Escalade | [HERE](#)

When the navigation system is active, the radio/cd information will be displayed for five seconds and then the clock will be displayed. To re-display the radio/cd information for five seconds, press the NAV repeat button. See Navigation System Overview on page 2-2 for more information. The time will not be displayed while OnStar® is active. 1-5
