Enter a “gorgeously realized world”* and meet a mage destined for greatness in the first novel in the national bestselling Alex Verus series. Alex is part of a world hidden in plain sight, running a magic shop in London that caters to clientele who can do much more than pull rabbits out of hats. And while Alex’s own powers aren’t as showy as some mages, he does have the advantage of foreseeing the possible future—allowing him to pull off operations that have a million to one chance of success. But when Alex is approached by multiple factions seeking his skills to crack open a relic from a long-ago mage war, he knows that whatever’s inside must be beyond powerful. And thanks to his abilities, Alex can predict that by taking the job, his odds of survival are about to go from slim to none....

When he is approached by multiple factions seeking his skills to unlock the mystery surrounding a relic from a long-ago mage war, magic shop owner Alex Verus, an oracle, foresees that his life will be in great danger if he takes this job--and if he doesn't. Original. 75,000 first printing.

From the acclaimed author of *Breathers*--an irreverent novel about fate, destiny, and the karmic consequences of getting involved with humans. Over the past few thousand years, Fabio has come to hate his job. As Fate, he's in charge of assigning the fortunes and misfortunes that befall most of the human race--the 83% who keep screwing things up. Frustrated with his endless parade of drug addicts and career politicians, Fate has to watch Destiny guide her people to Nobel Peace Prizes and Super Bowl MVPs. To make matters worse, he has a five-hundred-year-old feud with Death, and his best friends are Sloth and Gluttony. And worst of all? He's fallen in love with a human. Getting involved with a human breaks Rule #1, and about ten others, setting off some cosmic-sized repercussions that could strip him of his immortality--or lead to a fate worse than death.
