Studying Anatomy? Here is a video documenting the dissection of a fetal pig from start to finish.

Full Fetal Pig Dissection Start to Finish - YouTube

The dissection of the fetal pig in the laboratory is important because pigs and humans have the same level of metabolism and have similar organs and systems. Also, fetal pigs are a byproduct of the pork food industry so they aren't raised for dissection purposes, and they are relatively inexpensive. Objectives of fetal pig dissection:

Fetal Pig Dissection and Fetal Pig Anatomy - Biology Junction

You may also see a page of pig and dissection humor, a description of why fetal pigs are good dissection specimens, or a large collection of hints and tips and interesting facts about the fetal pig.
