From Somalia with Love is a very well-written coming of age story that centers around a teenage Somalian girl named Safia who lives with her mother and siblings in London, who's world is thrown upside-down when her assumed-to-be-dead father arrives after a 12-year absence. This book takes a very common "girl growing up and finding out who she really is" story, but since it is coming from the seldom seen perspective of a Somali Muslim refugee, it gives the book some very nice added depth.

FROM SOMALIA, WITH LOVE. by Na ' ima B. Robert
RELEASE DATE: April 1, 2009. Somalia is still in the news after years of civil war, and its war refugees go to many countries. Safia lives in London in a close-knit Somali neighborhood, where all her actions are seen. This is both safe and too confining for an adolescent in contemporary Britain.
