Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood.

~~Gateway to Freedom: The Hidden History of the Underground ...~~

The Underground Railroad was credited by contemporaries with successfully directing thousands of fugitive slaves to freedom in the North (abolitionists) or illegally subverting federal and state laws to destroy a specific region and culture (southern slave owners).

~~Gateway to Freedom | Eric Foner | W. W. Norton & Company~~

Several recent studies have augmented the scholarly discussion of the Underground Railroad in the decades before the American Civil War. Eric Foner's Gateway to Freedom: The Hidden History of the Underground Railroad is a noteworthy contribution to this scholarship. Gateway to Freedom is primarily a study of fugitive slaves and the Underground Railroad in New York City, although other parts of the northeastern network of the Underground Railroad are discussed.

~~"Gateway to Freedom: The Hidden History of the Underground ...~~

Gateway to Freedom is a 2015 non-fiction book by the American author and historian Eric Foner. According to its title, the book tells The Hidden History of the Underground Railroad. It does so by highlighting the efforts of less well-known freedmen and abolitionists in securing fugitive slaves' safe passage to Canada, as well as the dire penalties inflicted on them by both the state and local mobs.

Gateway to Freedom: The Hidden History of the Underground Railroad. Eric Foner W.W. Norton, \$26.95. Everyone has heard of the Underground Railroad, but Eric Foner's Gateway to Freedom shows us how little we really know about it. Foner makes it clear that a comprehensive look at the Underground Railroad is impossible, despite a lifetime of study. Even in New York, which had a huge black population, the story of the Railroad "is like a jigsaw puzzle, many of whose pieces have been ...

The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

Author of *The Fiery Trial*, winner of the Pulitzer Prize in History, the Bancroft Prize, and the Lincoln Prize. In 1835, the New York Vigilance Committee was organized by free blacks working with white abolitionists to protect blacks from kidnappers and slave catchers on the streets. Soon such committees proliferated in the North, and began a collaboration known as the underground railroad. Until now, their stories have remained largely unknown. Building on fresh evidence, Eric Foner elevates the underground railroad from folklore to history.

*My Bondage and My Freedom* is an autobiographical slave narrative written by Frederick Douglass and published in 1855. It is the second of three autobiographies written by Douglass, and is mainly an expansion of his first, *Narrative of the Life of Frederick Douglass, an American Slave*. The book depicts in greater detail his transition from bondage to liberty. Following this liberation, Douglass went on to become a prominent abolitionist, speaker, author, and advocate for women's rights.

Few things have defined America as much as slavery. In the wake of emancipation the story of the Underground Railroad has become a seemingly irresistible part of American historical consciousness. This stirring drama is one Americans have needed to tell and retell and pass on to their children. But just how much of the Underground Railroad is real, how much legend and mythology, how much invention? *Passages to Freedom* sets out to answer this question and place it within the context of slavery, emancipation, and its aftermath. Published on the occasion of the opening of the National Underground Railroad Freedom Center in Cincinnati, Ohio, *Passages to Freedom* brings home the reality of slavery's destructiveness. This distinguished yet accessible volume offers a galvanizing look at how the brave journey out of slavery both haunts and inspires us today.

"A rich, sensual, bewitching adventure of good vs. evil with love as the prize." ~Publisher's Weekly on *ETERNITY* 300 years ago, Raven St. James was hanged for witchcraft. But she revives among the dead to find herself alive. She is an Immortal High Witch, one of the light. A note from her mother warns that there are others, those of the Dark, who preserve their own lives by taking the hearts of those like her. Duncan Wallace's forbidden love for the secretive lass costs him his life. 300 years later, he loves her again, tormented by hazy memories of a past that can't be real. She tells him of another lifetime, claims to be immortal. Though he knows she's deluded, he can't stay away. And the Dark Witch after her heart is far closer than either of them know. If you liked the TV Series *HIGHLANDER*, you will LOVE this series. Don't miss Book 2, *INFINITY*. "A hauntingly beautiful story of a love that endures through time itself." ~New York Times Bestselling Author, Kay Hooper "This captivating story of a love that reaches across the centuries, becomes as immortal as the lover's themselves, resonates with timeless passion, powerful magic, and haunting heartbreak." ~BN.com's official review

When Joseph and Phebe Fessenden came to the peaceful village of South Bridgton, Maine to serve the newly founded Congregational church in 1829, they soon found themselves embroiled in controversy over the abolition of slavery and the evils of "demon rum." Tempers ran high and Parson Joe often found himself running counter to public opinion. Mobs threatened him with tar and feathers, cannonballs, and kidnapping. Still, he stood tall and fought tirelessly for the rights of all those who lived in chains beneath freedom's wing.

*IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN*. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

First published in 1898, this comprehensive history was the first documented survey of a system that helped fugitive slaves escape from areas in the antebellum South to regions as far north as Canada. Comprising fifty years of research, the text includes interviews and excerpts from diaries, letters, biographies, memoirs, speeches, and a large number of other firsthand accounts. Together, they shed much light on the origins of a system that provided aid to runaway slaves, including the degree of formal organization within the movement, methods of procedure, geographical range, leadership roles, the effectiveness of Canadian settlements, and the attitudes of courts and communities toward former slaves.

This book is all about how to harness your hidden potentials and a few simple steps that you have to follow to be successful in life. I'm definitely not going to say that if you follow everything in this book you will be the next Bill Gates, but just that this book will definitely help you to a great extent and will definitely help you to achieve whatever you want to in your life. This book consists of chapters based on harnessing the hidden potentials of your brain and how to be successful in life. The first two chapters are about the ways to harness your hidden potential, improving the productivity of your brain and mind mapping. The next three chapters are about personal development, easy steps to create lasting changes and how to achieve your goals. Simple and easy steps to do what the title suggests follow in the respective chapters. Everything that is suggested by me is very simple and not at all complicated. You will definitely come to know about it when you read the book. So I guess it's time to jump into this book and have a great swim and come out of it with an awesome experience. Thank You.

*Confederate Winter* is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. The author's great, great, great grandfather, William Sweeney, fought as a Confederate soldier at the tender age of 14. His father, John, had been drafted the year before into the Union Army. *Confederate Winter* is their story. By 1864 the Confederacy is on the verge of defeat. Atlanta has fallen and Confederate General John Bell Hood's army is in retreat. Hood formulates a bold plan to re-capture Nashville, the great base for the Union army in the West. A victory could change the course of the war. Hood needs manpower, however, and sends his conscription parties out to scour the countryside. *Confederate Winter* tells the story of a true-life family caught up in this grand adventure. The Federals conscript John Sweeney, the father, in late 1863 as General Sherman prepares his march on Atlanta and the sea. His son William is left in charge of the family farm, until one early fall morning...
