least as fun as baseball and way cooler than the evil looped path of crochet. Every project, from a misshapen hat to the most magnificent sweater, holds a story. Yarn Harlot tells all those stories with humor, insight, and sympathy for the obsessed. Over 50 million people in America knit. The average knitter spends between \$500 and \$1,700 a year on yarn, patterns, needles, and books. No longer just a fad or a hobby, knitting has advanced to a lifestyle. Yarn Harlot: The Secret Life of a Knitter moves beyond instructions and patterns into the purest elements of knitting: obsession, frustration, reflection, and fun. Since the upsurge in knitting began in the early '90s, the number of women under 45 who knit has doubled. Knitting is no longer a hobby for just grandmothers--women and men of all ages are embracing this art. Describing its allure is best left to Stephanie who explains: "It is a well-known fact that knitting is a sparkling form of entertainment, as spiritual as yoga, as relaxing as a massage, and as funny as Erma Bombeck
