Hacking Exposed: Network Security Secrets & Solutions ...

Whenever Hollywood does a movie in which someone breaks into a computer, the hacking scenes are completely laughable to anyone who knows the first thing about computer security. Think of Hacking Exposed: Network Security Secrets and Solutions as a computer thriller for people with a clue. This is a technical book, certainly--URLs, procedures, and bits of advice take the place of plot and characters--but the information about hackers' tools will leave you wondering exactly how vulnerable your ...
