What is a "Study  
Bible"? Is it a  
Bible version

with lots of  
pretty pictures  
and side stories  
that distracts  
you from what  
the Bible is

means? Or is it  
a Bible version  
that will  
actually help  
you to  
understand what

the Bible is

saying and truly

means? I submit

to you that the

Kingdom Study

Bible Version is

the only true

Study Bible,

because it is

the latter

rather than the

former. If you

want to learn

about those

things in the  
pretty pictures  
and sidebars, I  
believe that you  
would be much  
better served by  
investing in  
other Bible  
tools that are  
already  
available:  
Hebrew and Greek  
grammars,  
concordances,

Backgrounds,  
etc. But you

cannot combine  
all of those  
tools in a

Bible, because  
what you end up  
with is

something that  
distracts your  
attention from  
the Bible onto  
other things.

The headings of the Kingdom Study Bible are the themes of the Divisions, Volumes, Books, Parts, Chapters, Sections, Paragraphs, and Subparagraphs. This is one of the keys to understanding how this Bible

Online Library

Her One Wish

Kingdom 10

version is arranged. The

Bible has its

own high-level

outline; every

Volume has its

own outline;

every Book has

its own outline;

and every

Chapter has its

own outline. The

Kingdom Study

Bible has

# Online Library

## Her One Wish

approximately

306 outlines, of

every part of

the Bible! No

other study

bible even comes

close. And,

unlike all other

Bible versions

and

arrangements,

these outlines

show the true

and correct

Online Library

Her One Wish

outline of those  
Volumes, Books,  
and Chapters

(including their  
internal  
subdivisions).

How does it do  
it? Through the  
only true and  
correct  
arrangement of  
the Bible that  
is guided by the  
Golden Ratio

# Online Library

## Her One Wish

design. This arrangement is brand new to us; but it has always been there in the Scriptures, because God put it there. This requires some explanation to understand, so you must read the Preface of

Online Library

Her One Wish

the Kingdom 10

Study Bible as a  
starting point.

I have also  
provided a  
wealth of Bible  
studies on my  
website at <https://www.phibible.org/info/GoldenRatioBibleStudies/EnglishStudiesMenu.html> to help  
you understand

# Online Library

## Her One Wish

how it works and  
why it came from  
the Lord. The  
Golden Ratio  
design is not  
the Gospel! It  
is like the  
fingerprints of  
God upon his  
Word, that  
demonstrate his  
perfect, guiding  
hand upon the  
original human

writers of the  
Bible text in  
such a way that  
the inspiration  
of the Holy  
Scriptures  
cannot be  
denied. And no  
other Bible  
version comes  
even close in  
the quality of  
their outlines,  
since those

# Online Library

## Her One Wish

other outlines  
are typically  
very general and  
are not the true  
themes of the  
Bible text. A  
proper theme is  
the content of a  
Bible portion  
that is "boiled  
down" into a  
single sentence,  
that gives an  
accurate summary

# Online Library

## Her One Wish

of what that  
Bible portion  
actually

teaches. This is  
where the  
Kingdom Study  
Bible really  
shines, and  
where the other  
study bibles  
fall short.
