This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are available in the main student text or the core case text.

Strategic Management: Text and Cases, 2nd Edition, by Dess/Lumpkin/Eisner is both readable and rigorous - written for today's student. A rocket-ship in its first edition, the revision continues to provide solid treatment of traditional topics in strategic management, as well as contemporary topics like entrepreneurship, knowledge management, and internet strategies. The prestigious author team understands the importance of thorough, modern concepts illustrated by rich, relevant and teachable cases. The new case selections emphasize variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.

STRATEGIC MANAGEMENT: Creating Competitive Advantages, 3/e, by Dess, Lumpkin, and Eisner, responds to the demands of today's rapidly changing and unpredictable global marketplace that students will face when they enter the business world. The concepts-only text provides students with a timely, rigorous, and relevant book written in an engaging manner to spur their interest and excitement. This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and internet strategies. Numerous applications from business practice plus sidebars (approximately six per chapter) bring key concepts to life. Instructors can create their own case volumes for use with Strategic Management 3rd Edition from a variety of source- pre-selected case packets, customizing from a recommended set which have been carefully mapped to the chapter concepts, or from the entire Primis database which features cases from Harvard, Darden, INSEAD, Ivey, and other reputable sources.

Global Business Today is the proven choice for any international business course. It brings together the insights of now a team of practitioners, scholars, and award-winning instructors to present a contemporary and realistic perspective of this multi-faceted field. For the 9th edition, G. Tomas M. Hult from Michigan State University has joined Charles Hill to deliver a program that is: Current—it is comprehensive and up-to-date. Application Rich—it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevant—it focuses on managerial implications. Integrated—its tight flow between chapters is fully integrated with proven adaptive technology. Global Business Today—The market-leading program of international business.

Contemporary research in strategic management, with an emphasis on conceptual tools and skills created by scholars and practitioners in the field are evident throughout Strategic Management, 9e. Pearce and Robinson have retained high level of academic credibility and market-leading emphasis on strategic practice with this edition. This text continues to have strong support from longtime adopters and growing support in schools with a desire to provide straightforward treatment of strategic management with a practical, systematic approach. The 9th edition will once again include numerous Business Week short cases and a wide assortment of traditional, longer strategic management cases. Pearce and Robinson continue to use a unique pedagogical model they created to provide logic and structure to its treatment of strategic management which in turn makes the material more easily organized by the instructor and learned by the student.
