Previously published as one volume under same title.

Prior to the development of a simple test called the Apgar score, many newborn babies missed receiving the urgent care they needed at birth. Dr. Virginia Apgar came up with the Apgar score to help these newborns by rating them in a number of different health areas. The savior of countless young lives, Virginia Apgar is hailed as a legend, a trailblazer, and an inventor. Readers delve into the

riveting story of a medical legend who inspired women doctors to succeed at a time when society did not value the contributions of women in the work force.

A language ministry can be one of the most important services your church offers to your community. It combines outreach, diaconal care, and educational ministries. It includes both literacy and ESL (English as a Second Language) and helps people improve their reading, writing, and speaking skills. It's easy to get started! All you need is a place to meet, volunteer tutors, and resources like Open Door Books. Members of the church and/or community serve as literacy tutors, usually working one-on-one or in small groups with people who are unable to read well. Open

Door Books are designed especially for adults who are just learning to read and for those who are learning English as a second language. Written at a third- to fifth-grade reading level, they're essential for language ministries or literacy programs. Interesting life stories, both contemporary and historical, help motivate adults to learn to read. Written ecumenically at a third- to fifth-grade reading level, this series is also appropriate for non-Christian readers.
