Told in a nonlinear style, In My Own Way wonderfully combines Watts' own brand of unconventional philosophy and often hilarious accounts of gurus, celebrities, psychedelic drug experiences, and wry observations of Western culture. A charming foreword written by Watts' father sets the tone of this warm, funny, and beautifully written story of a compelling figure who encouraged readers to "follow your own weird" -- something he always did himself, as his remarkable account of his life shows.

In My Own Way is a congenial reminiscence of counter-cultural currents from the 1930s through to the 1960s, written by a self-indulgent sensualist for whom spiritual exploration never seemed to require much in the way of self-sacrifice or even self-discipline – although Alan Watts's public life was certainly productive, with a stream of publications and lectures that have done much to popularise Eastern thought in the West.

In this case, in my way means interfering or preventing me from doing something, most typically moving from one place to another. If, for example, you are standing in a doorway and I'm trying to go through it, you're in my way. Now, if I am in my own way, it means that I'm creating difficulties for myself in accomplishing a task. For example, if I'm trying to lose weight and won't stop eating, I am in my own way.

In this new edition of his acclaimed autobiography — long out of print and rare until now — Alan Watts tracks his spiritual and philosophical evolution from a child of religious conservatives in rural England to a freewheeling spiritual teacher who challenged Westerners to defy convention and think for themselves. From early in this intellectual life, Watts shows himself to be a philosophical renegade and wide-ranging autodidact who came to Buddhism through the teachings of Christmas Humphreys and D. T. Suzuki. Told in a nonlinear style, In My Own Way wonderfully combines Watts' own brand of unconventional philosophy and often hilarious accounts of gurus, celebrities, psychedelic drug experiences, and wry observations of Western culture. A charming foreword written by Watts' father sets the tone of this warm, funny, and beautifully written story of a compelling figure who encouraged readers to “follow your own weird” — something he always did himself, as his remarkable account of his life shows.

In this new edition of his acclaimed autobiography — long out of print and rare until now — Alan Watts tracks his spiritual and philosophical evolution. A child of religious conservatives in rural England, he went on to become a freewheeling spiritual teacher who challenged Westerners to defy convention and think for themselves. Watts's portrait of himself shows that he was a philosophical renegade from early on in his intellectual life. Self-taught in many areas, he came to Buddhism through the teachings of Christmas Humphreys and D. T. Suzuki. Told in a nonlinear style, In My Own Way combines Watts's brand of unconventional philosophy with wry observations on Western culture and often hilarious accounts of gurus, celebrities, and psychedelic drug experiences. A charming foreword by Watts's father sets the tone of this warm, funny, and beautifully written story. Watts encouraged readers to “follow your own weird” — something he always did himself, as this remarkable account of his life shows.

This book speaks to the millions of parents and teachers with children who are having difficulty in school. The author shows how to perceive children as individuals with distinct learning styles (linguistic, kinetic, interpersonal, etc.) and how take full advantage of their hidden aptitudes.

Dave Hollis used to think that “personal growth” was just for broken people. Then he woke up. When Dave Hollis's wife, Rachel, began writing her #1 New York Times bestselling book, *Girl, Wash Your Face*, he bristled at her transparency and her willingness to talk about such intimate details of their life. But when a looming career funk, a growing drinking problem, and a challenging trek through therapy battered the Disney executive and father of four, Dave began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own Way*, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol, problems in his marriage, and his insecurities about being a dad. Dave helps us see our own journeys more clearly as he unpacks the lies he once believed—such as “I Have to Have It All Together,” “Failure Means You're Weak,” and “If They Doesn't Need Me, Will They Still Want Me?”—and reveals the tools that helped him change his life. Offering encouragement, challenge, and a hundred moments to laugh at himself, Dave points the way for those of us who are, like he was, skeptical of self-help but wanting something more than status quo, and helps us drop bogus ideas about who we are supposed to be and finally start living as who we really are.

The New York Times bestselling “road map of conscious compassion and love” (Deepak Chopra) from actor, singer, songwriter Tyrese Gibson. Organized as a series of fundamental questions that helped Tyrese redefine who he was as a human being, and evolve into a new man, *How To Get Out of Your Own Way* is a guide to helping yourself, using his experiences as a learning tool. “It's not about talking down to people, it's about elevating them,” Tyrese says, stressing that life becomes infinitely richer when one takes the time to know oneself and

understand the true meaning of peace and fulfillment. Some of Tyrese's chapter-based questions include: How much do you love yourself? How much do you want for yourself? Why do men cheat? What is your bottom line? Are you ready for the next level? With personal experiences paired with reflective questions based on his extremely popular blog piece, "The Love Circle", Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles stand in the way. "A triumph. Tyrese will shock and amaze you with how he overcame the odds and became a superstar." --Rev Run "I've watched Tyrese for many years -- I've watched him succeed; I've watched him fail; I've seen him as a beneficiary of serendipity, and I've watched him suffer at his own hand. And in the recent years, as we've become friends, I've witnessed Tyrese Gibson learn how to get out of his own way." --Will Smith

An authoritative guide shares practical advice designed to help readers overcome self-defeating behaviors--including procrastination, obsession, self-pity, rebellion, and guilt--to effectively cope with the challenges and difficulties of life. Reissue.

Shares practical recommendations for employees and managers on how to overcome self-sabotaging behaviors that can compromise career advancement and satisfaction, in a guide that addresses forty self-defeating actions including fear of change, failure to delegate, and expecting too much. Reprint. 25,000 first printing.

The journey of a dying man toward a spiritual understanding of life. A twisted, funny story, always insightful, ultimately uplifting.

Children and teenagers with autism can struggle to cope with the loss of a loved one, and the complicated and painful emotions of bereavement. This book explains death in concrete terms that the child with autism will understand, explores feelings that the child may encounter as a part of bereavement, and offers creative and expressive activities that facilitate healing. With illustrations throughout, this interactive book begins with a simple story about what happens when people die. Each chapter then expands on the issues that have been raised in the story and offers a variety of coping skills exercises including writing, art and craft, cooking, movement, relaxation, and remembrance activities. Encouraging children with autism to express their loss through discussion, personal reflection, and creative activity, the book is ideal for children and teens to work through by themselves, or with the support of a family member or professional.
