An operations manual is the backbone of your company – the encyclopedia for your business. Your employee handbook may introduce your team to your mission, various policies (benefits, holiday leave, security), and culture, but the operations manual will show them how to do their job and give them everything they need to do it.

How to Create an Operations Manual for Your Business (and ...

The FSM (Factory Service Manual) of most of the GM car lines can be contained in one or two volumes the size of large telephone books.
