A suspicious death. A ghost in a mirror. The New York Times bestselling Dark Legacy novel from the author known for crafting stories of burning passion and chilling suspense... The death of her friend and mentor, Evelyn Ballinger, brings psychic counselor Gwen Frazier back to the small town of Wilby, Oregon, and brings back memories she would rather forget. Two years ago, a killer stalked the members of one of Ballinger's research studies—including Gwen, who survived while two others didn't. Now, she's sure that Ballinger's death is related. Sent by a friend to help Gwen, psychic investigator Judson Coppersmith arrives in Wilby barely in control of his own talent and his own life, and haunted by urgent dreams. His attraction to Gwen is primal, but there are secrets he must keep to protect himself from surrendering to her completely, even as their investigation draws them into dreamscapes, into decades of deception and into the paranormal fires of a desire too strong to resist...

A rare book. An ancient code. A new trilogy that “starts off with promise” (Pittsburgh Post-Gazette) from the New York Times bestselling master of passion and the paranormal. Within the pages of very rare books some centuries old lie the secrets of the paranormal. Abby Radwell's unusual psychic talent has made her an expert in such volumes—and has sometimes taken her into dangerous territory. After a deadly incident in the private library of an obsessive collector, Abby receives a blackmail threat, and rumors swirl that an old alchemical text known as The Keyhas reappeared on the black market. Convinced that she needs an investigator who can also play bodyguard, she hires Sam Coppersmith, a specialist in paranormal crystals and amber—“hot rocks.” Passion flares immediately between them, but neither entirely trusts the other. When it comes to dealing with a killer who has paranormal abilities, and a blackmailer who will stop at nothing to obtain an ancient alchemical code, no one is safe.

California—a mysterious place where danger and passion run deep... Scargill Cove is the perfect place for Fallon Jones, confirmed recluse and investigator of the paranormal. It's a hot spot, a convergence point for unusually strong currents of energy, which might explain why the town attracts misfits and drifters like moths to a flame. Now someone else has been drawn to the Cove—Isabella Valdez, on the run from some very dangerous men. When she starts work as Fallon's assistant, Isabella impresses him by organizing his pathologically chaotic office—and doesn't bat an eye at the psychic aspect of his job. She's a kindred spirit, a sanctuary from a world that considers his talents a form of madness. But after a routine case unearths an antique clock infused with dark energy, Fallon and Isabella are dragged into the secret history of Scargill Cove and forced to fight for their lives, as they unravel a cutthroat conspiracy with roots in the Jones family business...and Isabella's family tree.

In a rugged Oregon town torn apart by a long-time family feud, wedding consultant Hannah Harte is reunited by an unexpected inheritance with Rafe Madison, but their attraction is complicated by the hostilities that divide their families.

Beauty and glamour meet deception and revenge in this electrifying novel by New York Times bestselling author Amanda Quick. Investigative apprentice Lyra Brazier, the newest resident of Burning Cove, is unsettled when her boss suddenly disappears. Lyra knows something has happened to Raina Kirk, and tracks down her last known appearance at an exclusive hotel and health spa. The health spa is known for its luxurious offerings and prestigious clientele, and the wealthy, socialite background Lyra desperately wanted to leave behind is perfect for this undercover job. What Lyra lacks in investigative experience she makes up for in gut instinct, and her gut isn't happy that she's saddled with a partner by Luther Pell, Raina's dangerous lover, who wants to bring in someone with more experience to help. Instead of the suave, pistol-packing private eye she expected, though, Simon Cage is a mild-mannered antiquarian book dealer with a quiet, academic air, and a cool, remote gaze. Lyra suspects that Simon is much more than what he seems, and her instincts are confirmed when they arrive at the spa and pose as a couple: Simon has a unique gift that allows him to detect secrets, a skill that is crucial in finding Raina. The unlikely duo falls down a rabbit hole of twisted rumors and missing socialites, discovering that the health spa is a façade for something far darker than they imagined. With a murderer in their midst, Raina isn't the only one in grave danger—Lyra is next.

Zoe Luce is a successful interior designer in the Arizona town of Whispering Springs who's developed an unusual career specialty—helping recently divorced clients redesign their homes, to help them forget the past and start anew. But Zoe knows that some things can't be covered up with a coat of paint. And when she senses that one of her clients may be hiding a dark secret, she enlists P.I. Ethan Truax to find the truth. Working together, they solve the mystery . . . and barely escape with their lives. But Ethan's exquisite detection skills are starting to backfire on Zoe: she never wanted to let him find out about her former life; she never wanted to reveal her powerful, inexplicable gift for sensing the history hidden within a house's walls; she never wanted him to know that "Zoe Luce" doesn't really exist. She never wanted to fall in love with him. Now, no matter how much she resists, Ethan may be her only hope—because the people she's been running from have found her. And just when Zoe dares to dream of a normal life and a future with the man she loves, her own past starts to shadow her every step—and threatens to take her back into a nightmare.

Maddie Temple finds her life spiraling out of control as the mental link she shares with her twin sister pushes her closer and closer toward madness and her only hope for redemption lies with a psychiatrist who could end her career.

In this suspenseful Arcane Society novel, New York Times bestselling author Amanda Quick delves into the underworld of passion, greed and powers that lie beyond this realm. Victorian botanist Lucinda Bromley has a rare talent: the ability to detect almost any type of poison. She also tends many rare plants, including a species of fern that was stolen from her conservatory just last month—and which turns up in a poison that was used in a nobleman's murder. To keep her name out of the investigation and to find the killer, Lucinda hires a fellow Arcane Society member. The founder of a psychical investigation agency, Caleb Jones is very good at protecting the Society's secrets—and frighteningly good at getting the truth. As a nearly overwhelming desire blooms between Caleb and Lucinda, they are drawn into the dark heart of a deadly conspiracy—and into a legacy of madness that could plunge Caleb into the depths of his own tortured soul...

Quinton Zane is back. Jack Lancaster, consultant to the FBI, has always been drawn to the coldest of cold cases, the kind that law enforcement either considers unsolvable or else has chalked up to accidents or suicides. As a survivor of a fire, he finds himself uniquely compelled by arson cases. His almost preternatural ability to get inside the killer's head has garnered him a reputation in some circles--and complicated his personal life. The more cases Jack solves, the closer he slips into the darkness. His only solace is Winter Meadows, a meditation therapist. After particularly grisly cases, Winter can lead Jack back to peace. But as long as Quinton Zane is alive, Jack will not be at peace for long.
