system of close combat (unarmed or with a minor weapon) that can be used in a defensive or offensive manner to kill or subdue one or more weaponless or armed and armored opponents.

Jujutsu - Wikipedia

Jiu-Jitsu constitutes the natural defense the weak person disposes of against the strong person. It is a sort of leveling process through which brute force, confronted and dominated by the wise application of rational mechanics, is led to admitting that the human being, usually taken as a body endowed with a soul, should actually be deemed a soul that happens to reside in a body.

Political jiu-jitsu can operate only when violent repression is met with continued nonviolent defiance, not violence or surrender. The opponent ' s repression is then seen in the worst possible light. Resulting shifts in opinion are likely to occur among third parties, the general grievance group and even the opponent ' s usual supporters.
