consolidate what they have learnt (\*interactivity only available through Vitalsource eBook)

This accessible overview helps learners master the basic principles and practices of modern marketing in an enjoyable and practical way. Its coverage balances upon three essential pillars—(1) theory and concepts; (2) practices and applications; and (3) effective learning tools. A four-part organization details topics under the headings of: understanding marketing and the marketing management process, assessing opportunities in a dynamic marketing environment, developing marketing strategy and the marketing mix, and extending marketing. For individuals interested in taking an intriguing, discovery-filled journey to the business of marketing—in sales forces, retailing, advertising, research, or any other

For undergraduate principles of marketing courses. This ISBN is for the bound textbook, which students can rent through their bookstore. An introduction to marketing using a practical and engaging approach Marketing: An Introduction shows students how customer value -- creating it and capturing it -- drives effective marketing strategies. The 14th Edition reflects the major trends and shifting forces that impact marketing in this digital age of customer value, engagement, and relationships, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Through updated company cases, Marketing at Work highlights, and revised end-of-chapter exercises, students are able to apply marketing concepts to real-world company scenarios. This title is also available digitally as a standalone Pearson eText, or via Pearson MyLab Marketing which includes the Pearson eText. These options give students affordable access to learning materials, so they come to class ready to succeed. Contact your Pearson rep for more information.

Principles of Marketing, Third European Edition provides an introduction to modern marketing. Recognising the increasing significance of globalisation and e-business, John Saunders and Veronica Wong have dealt with Europe in a global marketing context. Illustrative examples and case studies are drawn from across Europe and around the world.

For undergraduate courses on the Principles of Marketing. An introduction to the world of marketing using a proven, practical, and engaging approach Marketing: An Introduction shows students how customer value--creating it and capturing it--drives every effective marketing strategy. Using an organization and learning design that includes real-world examples and information that help bring marketing to life, the text gives readers everything they need to know about marketing in an effective and engaging total learning package. The Thirteenth Edition reflects the latest trends in marketing, including new coverage on online, social media, mobile, and other digital technologies, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Also Available with MyMarketingLab™ This title is also available with MyMarketingLab--an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyMarketingLab does not come packaged with this content. If you would like to purchase both the physical text and MyMarketingLab search for: 0134472497 / 9780134472492 Marketing: An Introduction Plus MyMarketingLab with Pearson eText -- Access Card Package Package consists of: 013414953X / 9780134149530 Marketing: An Introduction 0134132351 / 9780134132358 MyMarketingLab with Pearson eText -- Access Card -- for Marketing: An Introduction

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Revised edition of the authors' Principles of marketing.

This book offers the most current applied, resourceful and exciting text for the introductory marketing course.

Innovation + Value Creation. The 6th edition of Principles of Marketing makes the road to learning and teaching marketing more effective, easier and more enjoyable than ever. Today's marketing is about creating customer value and building profitable customer relationships. With even more new Australian and international case studies, engaging real-world examples and up-to-date information, Principles of Marketing shows students how customer value-creating and capturing it-drives every effective marketing strategy. The 6th edition is a thorough revision, reflecting the latest trends in marketing, including new coverage of social media, mobile and other digital technologies. In addition, it covers the rapidly changing nature of customer relationships with both companies and brands, and the tools marketers use to create deeper consumer involvement.
