Daddy's taking us to the zoo tomorrow, zoo tomorrow, zoo tomorrow. Daddy's taking us to the zoo tomorrow. We can stay all day. Now you can go along too, as Tom Paxton's classic song comes to life in this boisterous picture book. Rhythmic verse leads you through a wild kingdom where animals burst from every page. Monkeys are scritch, scritch, scratchin', and kangaroos are hop, hop, hoppin', making every moment an adventure. Karen Lee Schmidt's lively, irresistible illustrations show the animals up to all sorts of mischief. And with the easily played melodies included, this musical menagerie is every bit as fun as a trip to the zoo. Youngsters will want to "stay all day" -- and come back again and again!
