and communicate effectively, while learning the legal principles pertinent to making business decisions.

## *Business Administration, B.S. - Business Law*

As a legal concept, administration is a procedure under the insolvency laws of a number of common law jurisdictions, similar to bankruptcy in the United States. It functions as a rescue mechanism for insolvent entities and allows them to carry on running their business. The process - in the United Kingdom colloquially called being "under administration" - is an alternative to liquidation or may be a precursor to it. Administration is commenced by an administration order. A company in ...
