Perhaps the most accessible of all Wagnerian operas, "Lohengrin" has delighted generations of listeners since its premiere at Weimar in 1850. A remarkable composite of intense drama and elaborate choral writing, the magical tale of the Swan-Knight is suffused with an ethereal purity of tone. Moreover, the opera is replete with memorable music: the enduringly popular preludes to Acts I and III, the "Swan music," and the immortal Bridal March, among other favorite themes. Now this glorious masterpiece of instrumental and vocal writing is available in this complete, inexpensive, sturdily bound Dover edition. Reproduced directly from the first engraved edition (1887), it includes new translations of the dedication (a letter from Wagner to Liszt) and other German-language frontmatter. Music lovers, opera buffs, admirers of Wagner, students, teachers all will rejoice to find this beloved opera available in its entirety in the authoritative Breitkopf & Hartel edition at a refreshingly reasonable cost."

An Opera, composed by Richard Wagner.

This handsome affordable volume includes the Overtures to The Flying Dutchman and Rienzi; the Overture and Introduction to Act III of Tannhäuser; the Preludes to Acts I and III of Lohengrin; the Prelude and Liebestod from Tristan and Isolde; the Prelude to Act I of Parsifal; and the Prelude to Act I of Meistersinger.

Books are still among the most important cultural achievements of humanity. Their invention was as important as the Internet: for the first time, a mass transfer of information became possible. Education, science, research, but also entertainment was based on a new revolutionary basis. Books are changing society until today. The technical possibilities of mass printing led to a radical increase in titles in the 18th and 19th centuries. Nevertheless, the conditions were still very different than today: Who wrote a book at that time, often wrote a life's work. This is reflected in the high quality of old books. Unfortunately, books age. Paper is not made for eternity. Therefore, we have made it our mission to preserve the book of knowledge of humanity and to make old books available in high quality at low prices

A favorite with audiences and musicians since its first performance in 1831, this tale of two lovers unfolds in an idyllic village setting. Bellini was one of the most popular composers of his era, and this opera is particularly admired for the simplicity and economy of its orchestration and its inspired lyricism.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
