Overview. In Maru (1971), author Bessie Head confronts deeply held prejudice toward the Masarwa people of Botswana. Considered sub-human by most citizens of Botswana, the Masarwa people pursue an untenable and desperate existence within Botswana society. Living off the land, the Masarwa wander from place to place in the bush, scavenging food and water in a subsistence lifestyle.

Maru by Bessie Head November 9, 2010 by Rebecca Reid I have so struggled to put Maru (by Bessie Head, published 1971) into context that I even reread the short novel (130 pages) before I attempted to write my thoughts. My second read solidified my perception that Maru is a type of warped fairy tale, one especially with no happily ever after.

Born from a white mother and a black father, Bessie Head grew up in the early stages of Apartheid South Africa. In Maru she reflects upon her own experiences of love, loneliness and prejudice. Prejudice spreads as one discriminates against another and creates false images. Love contradicts loneliness, which diminishes as the plot progresses.
