use powers, all in one book!  
Power Profiles includes something for everyone. Think your ideal hero doesn't have any powers? Think again: Power Profiles includes Luck Powers, Martial Powers, and Talent Powers, special abilities that could all be described as superior training or skill! You can find endless ideas for M & M heroes and villains just by turning the pages of Power Profiles and letting your imagination go, and you can point both new and experienced players to just the right section for the hero they want to play. Power Profiles includes new power options, extras,

# Download Free Mutants Masterminds Basic Heros

flaws, and variants to modify the basic power effects from the Hero's Handbook, so you can create the powers you want. More than just powers, each profile also covers complications associated with those powers, to give your characters added depth and to help you earn hero points in play. Power Profiles refines and greatly expands the power options from Mutants & Masterminds, taking its basic effects and turning them into a wealth of options you can choose from. With this book, there's no limit to your power!"--Publisher description.
