that many children learn before they progress onto other instruments - brass, wind or even stringed. It is easy to make a sound and even simple pieces can sound impressive. This handy guide provides a range of traditional and modern music using standard notation, reflecting both the standard teaching pieces and some popular melodies. With a basic introduction to reading music, a simple how-to-play guide and step-by-step photos, children will have everything they need to start straightaway.

Recorder From The Beginning: Pupil's Book 1 (2004 Edition) is the full-colour revised edition of John Pitts' best-selling recorder course. The eight extra pages in Book 1 have allowed for some new tunes and rounds, whilst retaining the well-known favourites that have helped to make the scheme such an enduring success. This is the book we all learned from as children and is still, successfully, teaching today's youth how to play the Recorder.

Simple introduction to everything you want to know about playing a recorder.

This book teaches everything you need to know to get started playing the recorder. Beginning with how to hold the instrument and make a sound, through reading music and basic technique, you'll be guided all the way to articulation, dynamics, and composing. With pieces in styles ranging from ethnic folk tunes to Renaissance dances and classical symphonic melodies, this book is a fun method for learning to play this very accessible and enjoyable instrument.

Finally, a recorder book with appeal to kids that focuses on fundamentals taught through songs that young people love

to play. Author Larry E. Newman (The Recorder Fun Book) created this book to be used as a first year beginning method or as a second year review and continuing book for the progressing intermediate student. The book is crammed with tons of musical examples, scales, arpeggios, songs, solos, duets and trios plus dozens of fun, kid-centered illustrations. There are play-a-long mp3s available to help motivate students and make playing fun. This book makes a great follow-up to The Recorder Fun Book since the first part of the book provides lots of review and the remainder of the book introduces new notes and concepts. With more than one-hundred pages, this book has it all.

(Recorder). An effective two-level method for recorder instruction (Student Book 2 = 00710300) and a contemporary approach to instrument learning. The student books include complete introductory materials suitable for use with Baroque and German-style recorders. For general music class teaching, the basic student materials are supplemented by a special Teacher's Cassette Kit (item 00710020). Includes 35 songs: Bingo \* The Caissons Go Rolling Along \* Dance of the Reed Flutes \* Dona Nobis Pacem \* Down in the Valley \* The Irish Washerwoman \* Jingle Bells \* Jolly Old St. Nicholas \* Merrily We Roll Along \* Ode to Joy \* Short'nin' Bread \* Zum Gali Gali \* and more.

Learn the basics of recorder while playing the best patriotic melodies of America. New notes and important concepts such as rhythm, ties and dynamics are gradually introduced, and attractive illustrations make learning fun. With a unique and easy-to-use approach that unites the experience of patriotic music with that of learning a musical instrument, this book is perfect for anyone new to the recorder as well as those just looking for easy-to-play patriotic melodies.
