Passing the exam is no easy task, no matter how many books or videos you study. You will need to take exam like questions in order to be prepared for the real test. This book will give you the exam like experience you need in order to pass the actual exam on your first try. Almost all PMP exam questions are scenarios, which will test your ability to choose the best answer. The questions in this book are mostly scenarios and are formatted just like the actual exam. They will test your skills and knowledge of selecting the best answer. All questions comes with a detail explanations of why a choice was correct and why the others were wrong.
