Riddle: You walk up to a mountain that has two paths. One leads to the other side of the mountain, and the other will get you lost forever. Two twins know the path that leads to the other side. You can ask them only one question. Except! One lies and one tells the truth, and you don't know which is which. So, What do you ask?

Logic Puzzles -- Riddles.com

The variety of riddles, puzzles, and brain teasers in the book is very good although I was expecting more traditional puzzles and games like Sudoku, word finds, and Crosswords, all of which I love to do. The print is large and very easy to read. This book contains mostly brain teasers and riddles which require some calculating and deep thought ...
