Ellen DeGeneres

Seriously...I'm Kidding

by Ellen DeGeneres is a goofy, cute, and at-times comical book. Each chapter/section is random and does not make sense at some parts. If you like Ellen's brand of humour then this is a nice escape for a few hours. It's also a very quick read meant to pass the time.

Im Kidding

The stand-up comedian, television host, best-selling author and actress candidly discusses her personal life, her professional career and describes what it was like to become a judge on American Idol. 750,000 first printing.

In this #1 New York  
*Page 39/69*

# Download File PDF Seriously

Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles—including how we behave in elevators, airplanes, and restrooms, and why we're so scared of the boogeyman—to fashion trends, celebrity, and her secret recipe for Ellen's Real Frenchy French

# Download File PDF Seriously

Toast. Most of all, this witty, engaging book offers insights into the mind of one of

America's most beloved comics. Dear Reader, I was awfully excited when I was asked to write a book. I was however, nervous. I was afraid I didn't have anything important to say. But when I began writing, I realized that

# Download File PDF Seriously

although I don't know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod—it's all in the book. And I realized I notice things that maybe some people don't notice (or they don't notice that they don't notice). That's all in the

Download File  
PDF Seriously

book, too.  
ImKidding

Ellen Degeneres

Ellen DeGeneres

published her first book  
of comic essays, the #1  
bestselling *My  
Point...and I Do Have  
One*, way back in 1996.

Not one to rest on her  
laurels, the witty star of  
stage and screen has  
since dedicated her life  
to writing a hilarious  
new book. That book is

# Download File PDF Seriously

In this book. After years of painstaking, round-the-clock research, surviving on a mere twenty minutes of sleep a night, and collaborating with lexicographers, plumbers, and mathematicians, DeGeneres has crafted a book that is both easy to use and very funny.

Along with her

# Download File PDF Seriously

trademark ramblings,  
The Funny Thing  
Is...contains hundreds of  
succinct insights into  
her psyche,  
supplemented by easy-  
to-understand charts,  
graphs, and diagrams so  
that you'll never miss a  
joke. Overseeing all  
aspects of production,  
DeGeneres labored over  
details both significant  
and insignificant,

# Download File PDF Seriously

including typefaces,  
page number placement,  
and which of the  
thousands of world  
languages to use.

Ultimately she selected  
English, as it's her  
mother tongue, but  
translations into Hindi  
and Pig Latin are  
already in the works.

DeGeneres takes an  
innovative approach to  
the organization of her

# Download File PDF Seriously

book by utilizing a section in the beginning that includes the name of each chapter, along with a corresponding page number. She calls it the "Table of Contents," and she is confident that it will become the standard to which all books in the future will aspire. Some of the other innovative features you'll find in

# Download File PDF Seriously

this edition: □ More than 50,000 simple, short words arranged in sentences that form paragraphs. □ Thousands of observations on everyday life -- from terrible fashion trends to how to handle seating arrangements for a Sunday brunch with Paula Abdul, Diane Sawyer, and Eminem. □ All twenty-six letters of

# Download File PDF Seriously

the alphabet. Sure to make you laugh, *The Funny Thing Is...* is an indispensable reference for anyone who knows how to read or wants to fool people into thinking they do.

"Mom, I'm gay." With three little words, gay children can change their parents' lives forever. Yet at the same

# Download File PDF Seriously

times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother.

That emotional moment eventually brought mother and daughter

# Download File PDF Seriously

closer than ever, but not without a struggle.

Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would set the stage for a far more public coming out, one that would change history. In Love,

# Download File PDF Seriously

Ellen, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights

# Download File PDF Seriously

Campaigns National  
Coming Out Project.  
With a mother's love,  
clear minded common  
sense, and hard won  
wisdom, Betty  
DeGeneres offers up her  
own very personal  
memoir to help parents  
understand their gay  
children, and to help  
sons and daughters who  
have been rejected by  
their families feel less
