The United States had important ties with Canada's Maritime Provinces that were profoundly shaken by the American Civil War. Drawing extensively on newspaper reports, personal papers, and local histories, Greg Marquis captures the drama of the times, effectively putting the reader into the thick of the action. In *Armageddon's Shadow* highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada. Marquis details the involvement of maritimers in running blockades

and recounts the experiences of some of the thousands of men from Nova Scotia, New Brunswick, and Prince Edward Island who served in America's bloodiest conflict. Book jacket.

The second edition of this successful text has been thoroughly updated to take into account recent research, and now begins at 1830. Charmley examines the history of the party and takes the story through the recent 'wilderness years' following the 1997 election fiasco, right up to David Cameron's leadership.

When Lincoln issued the Emancipation Proclamation, he also authorized the army to recruit black soldiers. Nearly 200,000

men answered the call. Several thousand came from Canada. What compelled these men to leave the relative comfort and safety of home to fight in a foreign war? In *African Canadians in Union Blue*, Richard Reid sets out in search of an answer and discovers a group of men whose courage and contributions open a window on the changing nature of the Civil War and the ties that held black communities together even as the borders around them shifted and were torn asunder.

Detective McNulty applies bite marks to a deceased man's body with a set of dentures in *The Wire*, illustrating how officialdom deals in falsehood. Dr. Strangelove lovingly describes the "doomsday

machine" as free from "human meddling," while it destroys the world, highlighting the absurdity of placing systems above moral considerations. In *Crash*, Ballard survives a car accident only to be cared for by a paternal technology that tends only to his physical needs--a life of technical certitude bereft of beauty. The Cold War, with its promise of imminent, purposeless doom, profoundly shaped the postmodern world in ways not yet fully appreciated. This study examines the Cold War zeitgeist and its aftermath as represented in fiction, film and television.

technology, finance, international law, world trade, political power, and vast military capabilities.

Those who hold power are invisible to all but a few insiders. These unrivaled leaders answer to no earthly authority, and they won ' t stop until they control the world. In Shadow Government, Grant Jeffrey removes the screen that, up to now, has hidden the work of these diabolical agents. Jeffrey reveals the biblical description of Satan ' s global conquest and identifies the tools of technology that the Antichrist will use to rule the world. Your eyes will be opened to the real power that is working behind the scenes to destroy America and merge it into the coming global government. Armed with this knowledge, you
