Corruption and Anti-Corruption deals with the international dimensions of corruption, including campaigns to recover the assets of former dictators, and the links between corruption, transnational and economic crime. It deals with corruption as an issue in political theory, and shows how it can be addressed in campaigns for human rights. It also presents case studies of reform efforts in Philippines, India and Thailand. The book explains the doctrines of a well-established domestic anticorruption agency. It is based on research to develop a curriculum for a unique international training course on 'Corruption and Anti-Corruption', designed and taught by academics at The Australian National University, the Australian Institute of Criminology and public servants in the New South Wales Independent Commission Against Corruption.

"This Seventh Edition is filled with authoritative advice on the financial reporting, accounting, and control situations unique to not-for-profit organizations. It contains discussions of the accounting and reporting guidelines for different types of organizations, complete guidance on tax and compliance reporting requirements, illustrated explanations of various types of acceptable financial statements, and much more!"--Publisher's Website.

the mattress at the beach house means that a little piece of Violet gets to stay on summer holiday. Violet's theory is put to the test when Mama and Vincent announce some very special news: They are going to get married. And they are all going to move. Violet is excited for the wedding, but Dylan is angry about the move. Normally, it is nice to be inside with your family when there is a big noisy storm outside and there is pumpkin soup for dinner and something on TV about penguins. But it is hard to enjoy it when your brother is outside in the garden in a leaky tent. When Dylan won't budge, the wedding preparations feel a bit sad. But just in time, Violet thinks of the perfect way to help Dylan feel better about moving. And her Theory of Leaving Small Things Behind is going to come in handy!
