“ [A] well – edited collection . . . More than friends and less than lovers, Salter and Phelps were literary soul mates. ”

—Publishers Weekly It was James Salter ’ s

Acces PDF Stranded On Haven Kindle Edition

third novel, *A Sport and a*

Pastime—together with his film *Three* and a script he had written for *Downhill Racer*—that in 1969 prompted Robert Phelps to write a letter of admiration.

Though the two writers didn't know each other, their correspondence went on to span decades. The letters themselves are exceptionally alive, uninhibited, gossipy, touching, and brilliant. The successes of Salter and the struggles of Phelps are fully explored by the writers themselves in the kind of honest exchange only letters can divulge. With an insightful foreword by Michael Dirda, this book gives voice to a nearly forgotten figure and his friendship with a man he admired.
