“How to Supercharge Your Garden” by Graham Reinders, is one of the first books on growing indoors that I actually sat down and read cover to cover. While that was many years ago—and I have read dozens of books on the subject since—this is still one of my favorites. Though not specific to growing marijuana, this book was published in “Beautiful British Colombia” and all of its content is highly relevant to marijuana. “How to Supercharge Your Garden” takes ...
